**Boots on the Ground Award**

**Nomination Guidelines**

**Award Description: Boots on the Ground Award** – Presented to an individual who has gone above and beyond to improve lives and meet community needs through their exceptional efforts - mobilizing resources for public benefit, leading by example, serving when they are called, advocating, and volunteering for those in our community who need help. Their efforts have a direct, real, tangible impact on our neighbors and our community!

**Nomination Process:**

- Individual may not nominate themselves.
- Nominees will receive a recognition letter from CFAAC upon receipt of the nomination form. The letter will include information on the nomination and selection process.
- A selection committee of past awardees, to include local nonprofit and community leaders, will review all nominations and select the awardee.
- Following the selection, and prior to the public announcement, nominees will receive a letter notifying them of the results.

**Nomination Narrative:** Provide a written statement that includes specific information illustrating how the individual has made a positive impact in Anne Arundel County. Include evidence and clear examples of what makes your nominee so exceptional. **Nominations should be limited to 500 words and include no more than three supporting documents.**

Start with a clear, direct, and specific statement of why the nominee deserves recognition. Include enough information for the selection committee to become familiar with the nominee’s efforts in Anne Arundel County, including the individual’s values, volunteer projects, and volunteer hours. List the most important information in the first few sentences and then elaborate, as necessary.

**Provide specific examples that address the award description and elaborate on why the nominee’s accomplishments are worthy of the award. Examples should include the activities and qualities that make this individual outstanding, and that are clearly relevant to the Boots on the Ground Award description.**

- **WHAT** did the nominee do?
  - Projects and/or activities
- **HOW** did they do it?
  - Initiative and/or leadership
  - Teamwork
  - Creativity and/or innovation
- **WHAT** were the results and/or impact?

Be thorough in including all communities/neighborhoods that benefit from the nominee’s support. This will enable the selection committee to fully understand the nominee’s involvement in the community and breadth of impact. The best way to ensure that you have included everything is by asking your nominee for input!
