

IRA Charitable Rollover

The IRA Rollover allows people age 70½ and older to make direct transfers totaling up to \$105,000 per year to qualified charities without having to count the transfers as income for federal income tax purposes.

Transfers must come from your IRA directly to the qualified charity. If you have retirement assets in a 401k, 403b etc., you must first roll those funds into an IRA, and then you can direct the IRA provider to transfer the funds from the IRA directly to the nonprofit.
