What is the Community Foundation of Anne Arundel County?

The Community Foundation of Anne Arundel County's (CFAAC) role is to inspire and grow philanthropy, help to identify critical needs in our county, partner with donors to help them meet their philanthropic and financial goals, and promote collaboration to help strengthen local nonprofits.

We envision a vibrant and generous community that comes together to enhance the quality of life for all. We know that each ONE of us makes a difference. That is why we are focused on growing philanthropy one person, one family, one business at a time. The more of us who give, the more good we can do for our community, together.

Our mission is to inspire and promote giving in Anne Arundel County by connecting people who care with causes that matter.

Established in 1998, CFAAC is one of the largest funders of nonprofit organizations in Anne Arundel County. CFAAC distributes \$5 to \$7 million annually to a variety of nonprofit organizations.
